

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 205 – SB 294

February 4, 2015

SUMMARY OF BILL: Deletes the definition of “General Assembly Civic Education Scholarship” from the lottery scholarship provisions.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Public Chapter 1142 of Public Acts of 2008, enacted as recommended by the House and Senate Conference Committee appointed pursuant to motions to resolve the differences between the two houses, defined the “General Assembly Civic Education Scholarship” as the scholarship funded from net lottery proceeds and awarded under Tenn. Code Ann. § 49-4-939 to meet the goals of the General Assembly to promote and encourage civic learning and participation in community and government by high school students.
- This definition was erroneously adopted from the Senate version of the bill, which contained a provision creating the General Assembly Civic Education Scholarship under Tenn. Code Ann. § 49-4-939. This provision was not adopted by the Conference Committee.
- As a result, the definition is currently unused as it refers to a non-existent scholarship program.
